

Outlook 101

Ideal for large groups, the Outlook 101 room is filled with natural light and accommodates a variety of seating plans. For featured speakers on stage, the state-of-the-art sound booth, screens and microphones ensure crystal-clear communication throughout the space. Bamboo hardwood flooring and three low-level tiers progress down to the stage at the front of the room (this space also features ADA ramps and ADA elevator access). The adjacent outdoor Outlook Patio can also be used in conjunction with the large indoor space.
