

Teaching Kitchen

For an interactive experience, the Teaching Kitchen provides fun team-building opportunities through creative, hands-on events. Spend time mingling with colleagues, experienced chefs and wellness professionals while enjoying delicious meals you'll create from scratch with locally sourced ingredients. The Teaching Kitchen is also a popular space for wine tasting receptions and private dinners under the market lights in Joanie's Garden, as 1440 chefs prepare and plate each guest meal in front of the group with fresh ingredients harvested from surrounding planter boxes.
