

Prep Cook

Reporting to the Sous Chef, the prep cook assists in creating a delightful dining experience and food that is fresh, vibrant and nutritious. The prep cook prepares excellent quality food items in line with the Cuisine Profile and ensures all menu items are produced in the high standards set by the Executive Chef while following safety and sanitation procedures. The prep cook models a passion for 1440's food services vision.

Job Essentials

- Demonstrate high-level of knowledge in farm-to-table, natural foods and remaining current regarding food service and cuisine trends
- Experience as a prep cook dedicated to farm-to-table cuisine and preferably in a larger scale kitchen environment.
- Proven track record of successful relationships with both management team and direct reports
- Affinity with 1440 Multiversity's mission and core values.
- Enthusiastic about process improvement.
- Highly collaborative, flexible team player, keen to engage in positive, supportive, professional relationships.
